

QUALITY CARE FOR ALL

About

Founded on the principle that all of Hawai'i's kupuna (elders) deserve access to quality care, Evergreen Adult Day Care opened in 2016. We have since grown to become Hawai'i's largest adult day care center operator with two locations in Honolulu — Ke'eaumoku Street and Kapiolani Boulevard.

We serve over 200 seniors each day, providing personalized care with a sense of 'ohana (family).

Evergreen Adult Day Care is deeply committed to serving seniors through our comprehensive services including transportation, nutritional assistance, recreational activities, and medical and social services designed to promote the health and vitality of our kupuna.
